N.B Important Notice to animal Owners involved in Showing Animals from the Irish Shows Association

The Irish Shows Association would advise all Animal owners who have their animals insured to have the insurance cover extended to Cover them while showing animals at shows, we understand that it costs very little or nothing at all depending on who you have Insurance cover with. The reason for us giving you this advice is that if you're animal lashed out, and injured someone or damaged someone's property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damage caused, you may end up paying all, or part of any settlement reached.
